

SQUIRT

WANTED - VOLUNTEERS

WHY VOLUNTEER...?

Because without volunteers, dogs like Squirt would not make it to their foster home, receive good health care and training, find good homes, or survive.

In 1998, Midwest Akita Rescue Society (MARS) was formed by a very small group of concerned individuals in Illinois who felt they could assist orphaned Akitas. The purpose of this organization was to rescue, medically treat, rehabilitate and re-home abandoned, relinquished or otherwise homeless Akita dogs.

Since then, MARS has grown tremendously and we cover all of the Midwest. We need your help to continue giving homeless Akitas a chance at a loving forever home they so deserve.

The number of homeless Akitas has increased drastically. So if you have ever thought about volunteering, now is the time. You can mail this form to MARS, 6538 North Nordica, Chicago, IL 60631, call us at 773-594-9302, email us at marsakita@sbcglobal.net or visit our web site at www.akitas.org
